And while you're here, be a part of the **traditions and campus-wide events** that make Texas A&M what it is: the best university in the world. Finally, your involvement journey does not have to end upon graduation. **Click here** to learn more about how you can stay involved in Student Activities after you have your ring and diploma.

### What inspires you to serve as a student leader at Texas A&M?

*I've always had a passion for leading, and the opportunity to empower other Aggies to be leaders as we go through some significant growth is very special to me. I have learned so much about myself serving as a student leader the past three years, both in the type of leader I want to strive for as I get older and the level of impact a passion for serving others can have on others. Serving as a student leader at Texas A&M provided an avenue for me to live out my value of selfless service every day. I couldn't have asked for a better leadership experience!*
